HORACE GREER IS FREED OF ASSAULT CHARGE

Court Order Ties Up Property Which is Valued at \$200,000

CHILDREN'S CUSTODY ASKED

Defendant Is Head of Princeton Knitting Mills In This City

LOS ANGELES, June 19.—Horace Greer, Mabel Normand's chauffeur, was acquitted by a jury of ten women and two men late today of the charge of shooting Courtland S. Dines, Denver millionaire clubman, at a party last New Years.

Miss Norman and Mrs. Purvis were guests in Dines' apartment when the shooting occurred.

The jury was out for three hours and ten minutes before reaching its verdict of "not guilty."

Greer, who was unaccompanied by attorneys or friends in the court room when the verdict was brought in, was elated. He smiled and rushed to the jury box to shake hands with the jurors, who exonerated him. The chauffeur's plea was that he shot Dines in self-defense after the millionaire had made an attempt to grab a bottle and strike him over the head.

Greer's liberty was short lived. He was immediately re-arrested, after the verdict was read, on a charge of violating the Wright Act by possession of intoxicating liquors. Officers took Greer into custody in the court room.

The charge was based on claims that liquor was found in Greer's rooms at few days after Dines was shot.

JULIA JOHNSON FILES SUIT FOR DIVORCE

Jury Returns Verdict Acquitting Chauffeur of Shooting Courtland Dines

AGAIN PLACED UNDER ARREST

Now Held On Charge of Violating Wright Act by Possession Of Liquor

Tying up with a court order property of an estimated value of \$200,000, Mrs. Julia Johnson yesterday filed suit for divorce against Jonas A. Johnson, principal owner of the Princeton Knitting Mills at Richmond in which she charges him with wilful desertion and embraces in cruelty allegations of friendliness with other women.

Availing that her husband's income is more than \$1,000 monthly Mrs. Johnson makes a plea for attorney's fees of \$2,000, an allowance of \$200 monthly for maintenance and education of three boys, whose custody she asks, and \$250 monthly for her maintenance. The couple married in Michigan in 1900 and have five children, two daughters being of age. Alleging that property of which she asks the court to award her a portion, Mrs. Johnson obtained a restraining order preventing disposition or encumbrance.

Although basing her wilful desertion charge on allegation of separation in January, 1920, Mrs. Johnson's suit indicates that she and her husband have resided at the same home until the filing of the suit. On June 13, she charges, her husband told her he did not love her and that his affection was for another woman. Three days after, expressed the wish that she secure a divorce. Within the last four years Johnson is charged by his wife with absenting himself from home on numerous occasions for two and three days at a time in the last two years, she claims, he has on many occasions gone on vacations of two weeks' duration without informing her where he was going. On such instances, Mrs. Johnson alleges "on information and belief" he was in the company of other women.

Mrs. Johnson lists in community property six lots in Richmond, a one half interest in a company manufacturing cigarette ejectors, 65 percent of the stock of the Princeton Knitting Mills and \$26,000 in cash and securities in the Mechanics' Bank in Richmond.

Mrs. Johnson is represented by Attorneys Wilbur Pierce, T. M. Carlson, Tsar Calfee and Leo Dunnell.

Dawn to Dusk Flight Will Start Today

MITCHEL FIELD, N. Y., June 19.—Only a considerable change in the weather will keep him from hopping off on his "dawn-to-dusk" flight at 3:22 o'clock (New York daylight saving time) tomorrow morning. Lieutenant Russell Maughan announced today following receipt of word from aviation fields along his route that landings could be safely be made there.

CUT-OFF SURVEY WORK STARTED

City Engineer H. D. Chapman has been instructed to start a survey of the Stockton street cut-off, preparatory to its improvement so that practically a direct route will be made into Stockton street from Twenty-third. At present there is a dangerous cut-off at the bridge on the State highway, and it is designed to eliminate this bad angle.

The Merchants' association passed a resolution urging the Chamber of Commerce to place the matter of the elimination of the cutoff before the city manager. The association urged that the ferry traffic be routed into Macdonald avenue instead of by way of the northerly route as decided by the city planning commission. However, nothing in the way of a survey has been ordered yet, Chapman declared. Chapman declared the survey on the Stockton street cut-off will be started the first of next week.

The convenience station building that was located at the auto camp grounds at Twenty-third and Macdonald has been moved to the City Hall tennis courts in order to afford facilities for the tennis players. There will be cold showers and lavatories in the building, which is 24 feet by 24 feet.

The convenience station is located on the southeast corner of the courts, and entrances to the building will be cut through the fence.

YREKA, June 19.—Six hundred saw-mill employees of the Fruit Growers Supply Company, by using dynamite, late today brought under control a fire which did damage to the town of Yreka, estimated at \$150,000.

I. W. W. Charged With Spread Of Cattle Plague

Responsibility for much of the hysteria following the discovery of the hoof and mouth disease in California and resulting in the loss of millions of dollars, through the placing of embargoes by neighboring states, was the result of a carefully planned and skillfully executed campaign of propaganda conducted from I. W. W. headquarters in Chicago, according to statements at the U. S. District court's office yesterday.

The announcement by Assistant Attorney Grove L. Fink presided a meeting of the Western States Live Stock Sanitary Association in Reno next Monday, when United States government experts will endeavor to allay many of the false reports sent broadcast throughout the country by the "wobblies" in their effort to injure this state. The Reno meeting is expected to raise many of the embargoes imposed through the hysteria of fear and the general understanding concerning the disease.

K. K. K. Parade In Oakland July 4 Is Called Off

OAKLAND, June 19.—Owing to the fact that threats had been made against the peace of Oakland if a Ku Klux Klan parade were to be held here July 4, permit for the affair has been cancelled. It was reported today by Chief of Police James T. Drew, V. J. Moodie, Klan leader, declared that "a gang of hoodlums and gunmen threatened to disrupt the parade should it be held. We did not feel that we would be in a position to protect the parade."

Commissioner Colburn said he would rescind the permit for the parade issued to V. J. Moodie, king kleele, by Chief Drew several weeks ago, because the authorities had "received information leading them to believe that the public peace would be threatened by the parade and it was thought for the best interests of the community not to permit the Klan to march."

Moodie announced that 10,000 members of the Klan would be in Oakland on July 4 to attend the state convention of the organization. It was the plan to hold the parade in the afternoon and Moodie said it would not interfere in any way with the city's parade in the morning.

Chief Drew today forwarded the following communication to Moodie advising him of the rescinding of the permit:

Mr. V. J. Moodie,
Pacific Building,
Oakland, Calif.

Dear Sir: Kindly be advised that the permit granted you on May 26, 1924, for the Knights of the Ku Klux Klan to parade on the streets of Oakland on July 4, 1924, has been cancelled for the reason that I am in possession of information that serious trouble would occur should the parade take place, and, further, that the

public safety of our city would be endangered.
Yours very truly,
JAMES T. DREW,
Chief of Police, City of Oakland.

Elks Hold Big Dinner Dance

The regular monthly Elks' dinner-dance, given last night at the Elks hall, was the most auspicious since Dr. A. B. Hinkley was elected chairman of the house committee. More than 100 Elks and their ladies attended.

The ball room was luxuriously appointed, the revelers being seated at small tables embellished with decorative effects. The subdued glow of red and green lights shed their effulgence throughout the hall, which was adorned in Venetian scene.

A cabaret program was given with specialty musical numbers being interpolated after each dance. The cabaret entertainers were Johnny Toffel, accordion; Mark McDonough, of Oakland; Mrs. Hertzog, of Martinez, and H. H. Mylander, the latter three favoring wit songs hits.

Denny Shaw's orchestra furnished

the dance music.
A six-course dinner was served, and much of the success of the brilliant affair was attributed to the skillful

work of Max Sheahan, steward of the club.

The project is a stupendous undertaking, embracing the erection of a huge dam across the Mokelumne River at Campo Seco, and the building of two reservoirs, one at Lancha Plancha, near the dam, and another near Lone, across the ridge from the river, in Amador county. The reservoir at Lone will cover over 25,000 acres.

By use of these two reservoirs, the annual runoff of over 800,000 acre feet, will be saved, and over 200,000 acres of waste land lying in and around Lodi and Stockton will be salvaged. Keefe stated that these 200,000 acres can be irrigated, and enough waste water left over from the annual waste, to send water into the Delta region to protect the farmers there from the salt water which has threatened many crops of late years, and still leave sufficient volume of water to supply the Alameda Bay cities and territory adjacent to the pipe line for domestic purposes.

The whole proposition takes in the piping of water from the Lancha Plancha reservoir, which has an elevation of 550 feet, by gravity 90 miles by way of Lodi, across the delta region, to a point near Brentwood, and thence along the shore to Concord and Lafayette. Near Lafayette, a tunnel is to be constructed which will enter the San Pablo reservoir. From there another tunnel can be built, connecting the water with the Claremont district reservoir in Berkeley, from which it can be delivered into the center of the East Bay distributing system.

Rebekahs Elect Officers for the Ensuing Term

Miss Hazel Bibbee was elected Noble Grand of the Richmond Rebekah lodge No. 206 at the election of officers held last night by the order at Richmond Hall. Mrs. E. Reynolds is the retiring Noble grand.

Mrs. Myrtle Coline was elected vice-grand; Mrs. M. Shea recording secretary; Mrs. B. Anderson, financial secretary; Mrs. T. Edgar, treasurer, and Mrs. C. Cecil, trustee.

Visitors were present at the meeting from Oakland, Martinez, and Pinole orders. A banquet was given following the regular business session. Mrs. E. Reynolds, retiring Noble Grand, presided.

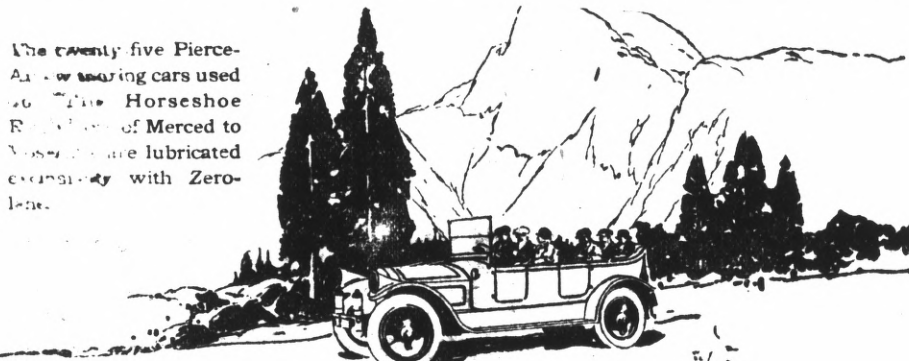

Inspector Wylie Has Troubles in Reaching Milpitas

Minions of the law have hobbies like everyone else.

Inspector Oliver Wylie, of the local police department, is no exception and his fellow officers say his craving is to visit the town of Milpitas whenever he has the chance.

The boys at the police station have just received a card from him, sent from Milpitas, where he stopped off while on a trip to other points. Rumor has it that Inspector Wylie was forced to swim a water leak with his machine at Third avenue and East Fourteenth street, Oakland, while on his way to his favorite watering place this trip.

Candidates were adopted at the regular meeting of Onetah Council No. 96, at Red Men's hall last night. Panchontas, Grace Crider presided. Plans were discussed for the attendance of local representatives of the lodge at Crockett next Thursday night when a degree will be conferred. July 2 joint installation ceremonies will be held with Onetah Tribe of Red Men.

Seeing YOSEMITE on ZEROLENE-lubricated bearings

If you haven't traveled the Horseshoe Route out of Merced to Yosemite in one of the Pierce-Arrow touring cars operated by the Yosemite Stage and Turnpike Company, you've missed something.

But whether or not you have made this trip, you'll be interested, as a motorist, in knowing that the twenty-five Pierce-Arrow cars used in this service are lubricated with Zerolene. The manager of this famous stage line writes:

"We have been operating a stage line since 1911 and have always used Zerolene. Recently we disposed of some cars that had been in our service for ten years, and during that period none of them had ever had a bearing scraped."

Whether you drive a Pierce-Arrow or a Ford, the use of Zerolene, of the proper body, will not only cut down your oil bill, but give you greater gasoline mileage, less carbon, lower upkeep costs, and a longer life for your car.

Big users refuse to pay tribute to the old superstition that there is something mysteriously "better" about "eastern" oils — why should you pay that tribute?

Insist on Zerolene, even if it does cost less.

STANDARD OIL COMPANY (CALIFORNIA)

ZEROLENE F for FORDS

— the Standard Oil Company's new improved oil for Ford cars — "Feeds Those Oil-Starved Fords."

A series of independent and impartial reports showing the experience of large users with Zerolene motor oil has been collected in our booklet, "Why Pay Tribute to a Superstition?" Ask any Standard Oil Company sales or Service Station representative or Zerolene dealer for a copy.

HERB SPECIALISTS

TO WHOM IT MAY CONCERN:
In recollection of the wonderful cure effected through the medium of Dr. Wong Him's herbs and his thorough knowledge of every human ailment, I desire to state briefly the terrible sufferings experienced by myself for other thirty years, thus guiding anyone who may desire relief from attacks of any nature:

I had been afflicted with cancer and Bright's Disease, also catarrh of the head for a period of over thirty years. Learning of the extraordinary cures resulting from the herb treatments of Dr. Wong Him, I decided to seek relief if possible through this course, being to some extent skeptical due to failures of other eminent specialists to effect any amount of relief.

A complete treatment of the above have resulted in relieving me entirely of these afflictions, and my head has been cleared of all traces of catarrh. Pains in back and headaches have ceased and am again able to enjoy perfect health.

The above has been absolutely unsolicited and my only hope is that same may prove of great benefit to all sufferers who may read it.

Sidney Chaplin In Comedy At California Today

Sidney Chaplin, famous brother of the celebrated Charles Chaplin, returns to the screen to play a most

Sylvia Breamer and Owen Moore in 'Her Temporary Husband'

important comedy role in "Her Temporary Husband," a rib-tickling farce which is to be the feature of the bill at the California Theatre for two days, starting today.

It is a First National screen version of Edward Paulston's popular stage success of the same title. It was adapted to the screen by F. McGrew Willis, one of the most brilliant scenario writers. John McDermott directed it.

"Her Temporary Husband" is an exuberantly humorous comedy, centering about a young girl, who, to win a fortune, is forced to marry within 24 hours.

The girl not wishing to burden

herself with the troubles and tribulations of matrimony, yet wishing to win the legacy, goes to a sanitarium and chooses as a husband a decrepit old man with one foot in the grave and the other on a banana skin, to later wake up to the realization that the man she really married was a young admirer who had made up to represent the older man.

Owen Moore plays the part of the disguised invalid. Sidney Chaplin enacts the role of his valet, a lugubrious individual who has a peculiar faculty of always doing the right thing at the wrong time.

Sidney is a member of an exceptionally talented all-star cast, which includes Owen Moore, Sidney Chaplin, Sylvia Breamer, Chuck Reisner, Tully Marshall, Charles Gerrard, George Cooper and others.

Other features on the same program include: "Hot Air," a Mermaid comedy. International News, Larry F. Canelo at the organ.

Miss Bennison and Gordon Perault Wed

Miss Thankful Bennison and Gordon Perault were married in San Francisco at 2:30 o'clock. The groom is well known in Richmond, and many of his local friends attended the ceremony.

The groom is the brother of Mrs. George Ellis, of Dinum avenue, Mira Vista, and has resided in this city for the past several years, being connected with the Standard Oil company. The bride is a San Francisco girl.

The bride is a stepsister of the groom and the romance of the couple had its inception in childhood, when they played together as children. Some years later the pair were separated, but acquaintance was renewed when Perault came to Richmond, and Miss Bennison returned to San Francisco.

The marriage ceremony was performed by Rev. Hanson of the Episcopal church. Upon their return

Election of officers was held Tuesday night at the Boy Scout camp in Mitchell Canyon, near Mt. Diablo. The scouts enjoying the outing at the camp are from Richmond, Pinole, Martinez, Walnut Creek and Danville.

At the election the "Lower Crust" party was victorious over the "Upper Crusts." Those elected were: Edward Elcher, mayor; Leland Goldworthy, district attorney; Herbert Ripley, commissioner; Herbert Ripley, entertainment; Donald Oswald, athletics; Neil Clark, commissary, and Sanford Hanrahan and William Kohler, chief of police.

A mock trial will be held with Robert Caldwell as defendant. He will be charged with "attempting to defeat the will of the said Boy Scouts by seeking to bribe and intimidate the election board at the counting of the ballots on the night of June 17, 1924." Leland Goldworthy will be prosecuting attorney.

John A. Miller, representing the Lions club, has returned from the scout camp after making arrangements with their executive, C. A. Withington, for the visit of the Lions club next Saturday. The Lions will leave Red Men's hall at 12:45 p. m. Sunday, and expect to arrive at the camp at 2 o'clock. A baseball game will be played, followed by swimming and inspection of quarters.

Doug and Mary Reach Copenhagen

COPENHAGEN, June 19. — Douglas Fairbanks and Mary Pickford were given a great reception by cheering throngs when they arrived in Copenhagen at 6 o'clock this morning. The crowds were of such proportions that tramway service was disrupted and many young women fainted. The square by the central railway station and the adjoining streets were jammed as early as 5 o'clock.

"Our reception in Spain was lukewarm compared with the one Copenhagen has given us," was "Doug's" remark after he and Mary had arrived safely in their hotel.

John D. Prince, the American minister, tendered the artists a recep-

tion this afternoon and the newspaper Politiken arranged a dinner with 200 covers in their honor for tonight.

James M. Cremin, former state printer, now proprietor of the Marysville Appeal, was in Richmond on business yesterday.
